GENERAL INFORMATION

Start your Tour from any stop. Hop on and off at your leisure as many times as you want for the entire duration of the ticket, customizing your own ideal Rome experience.

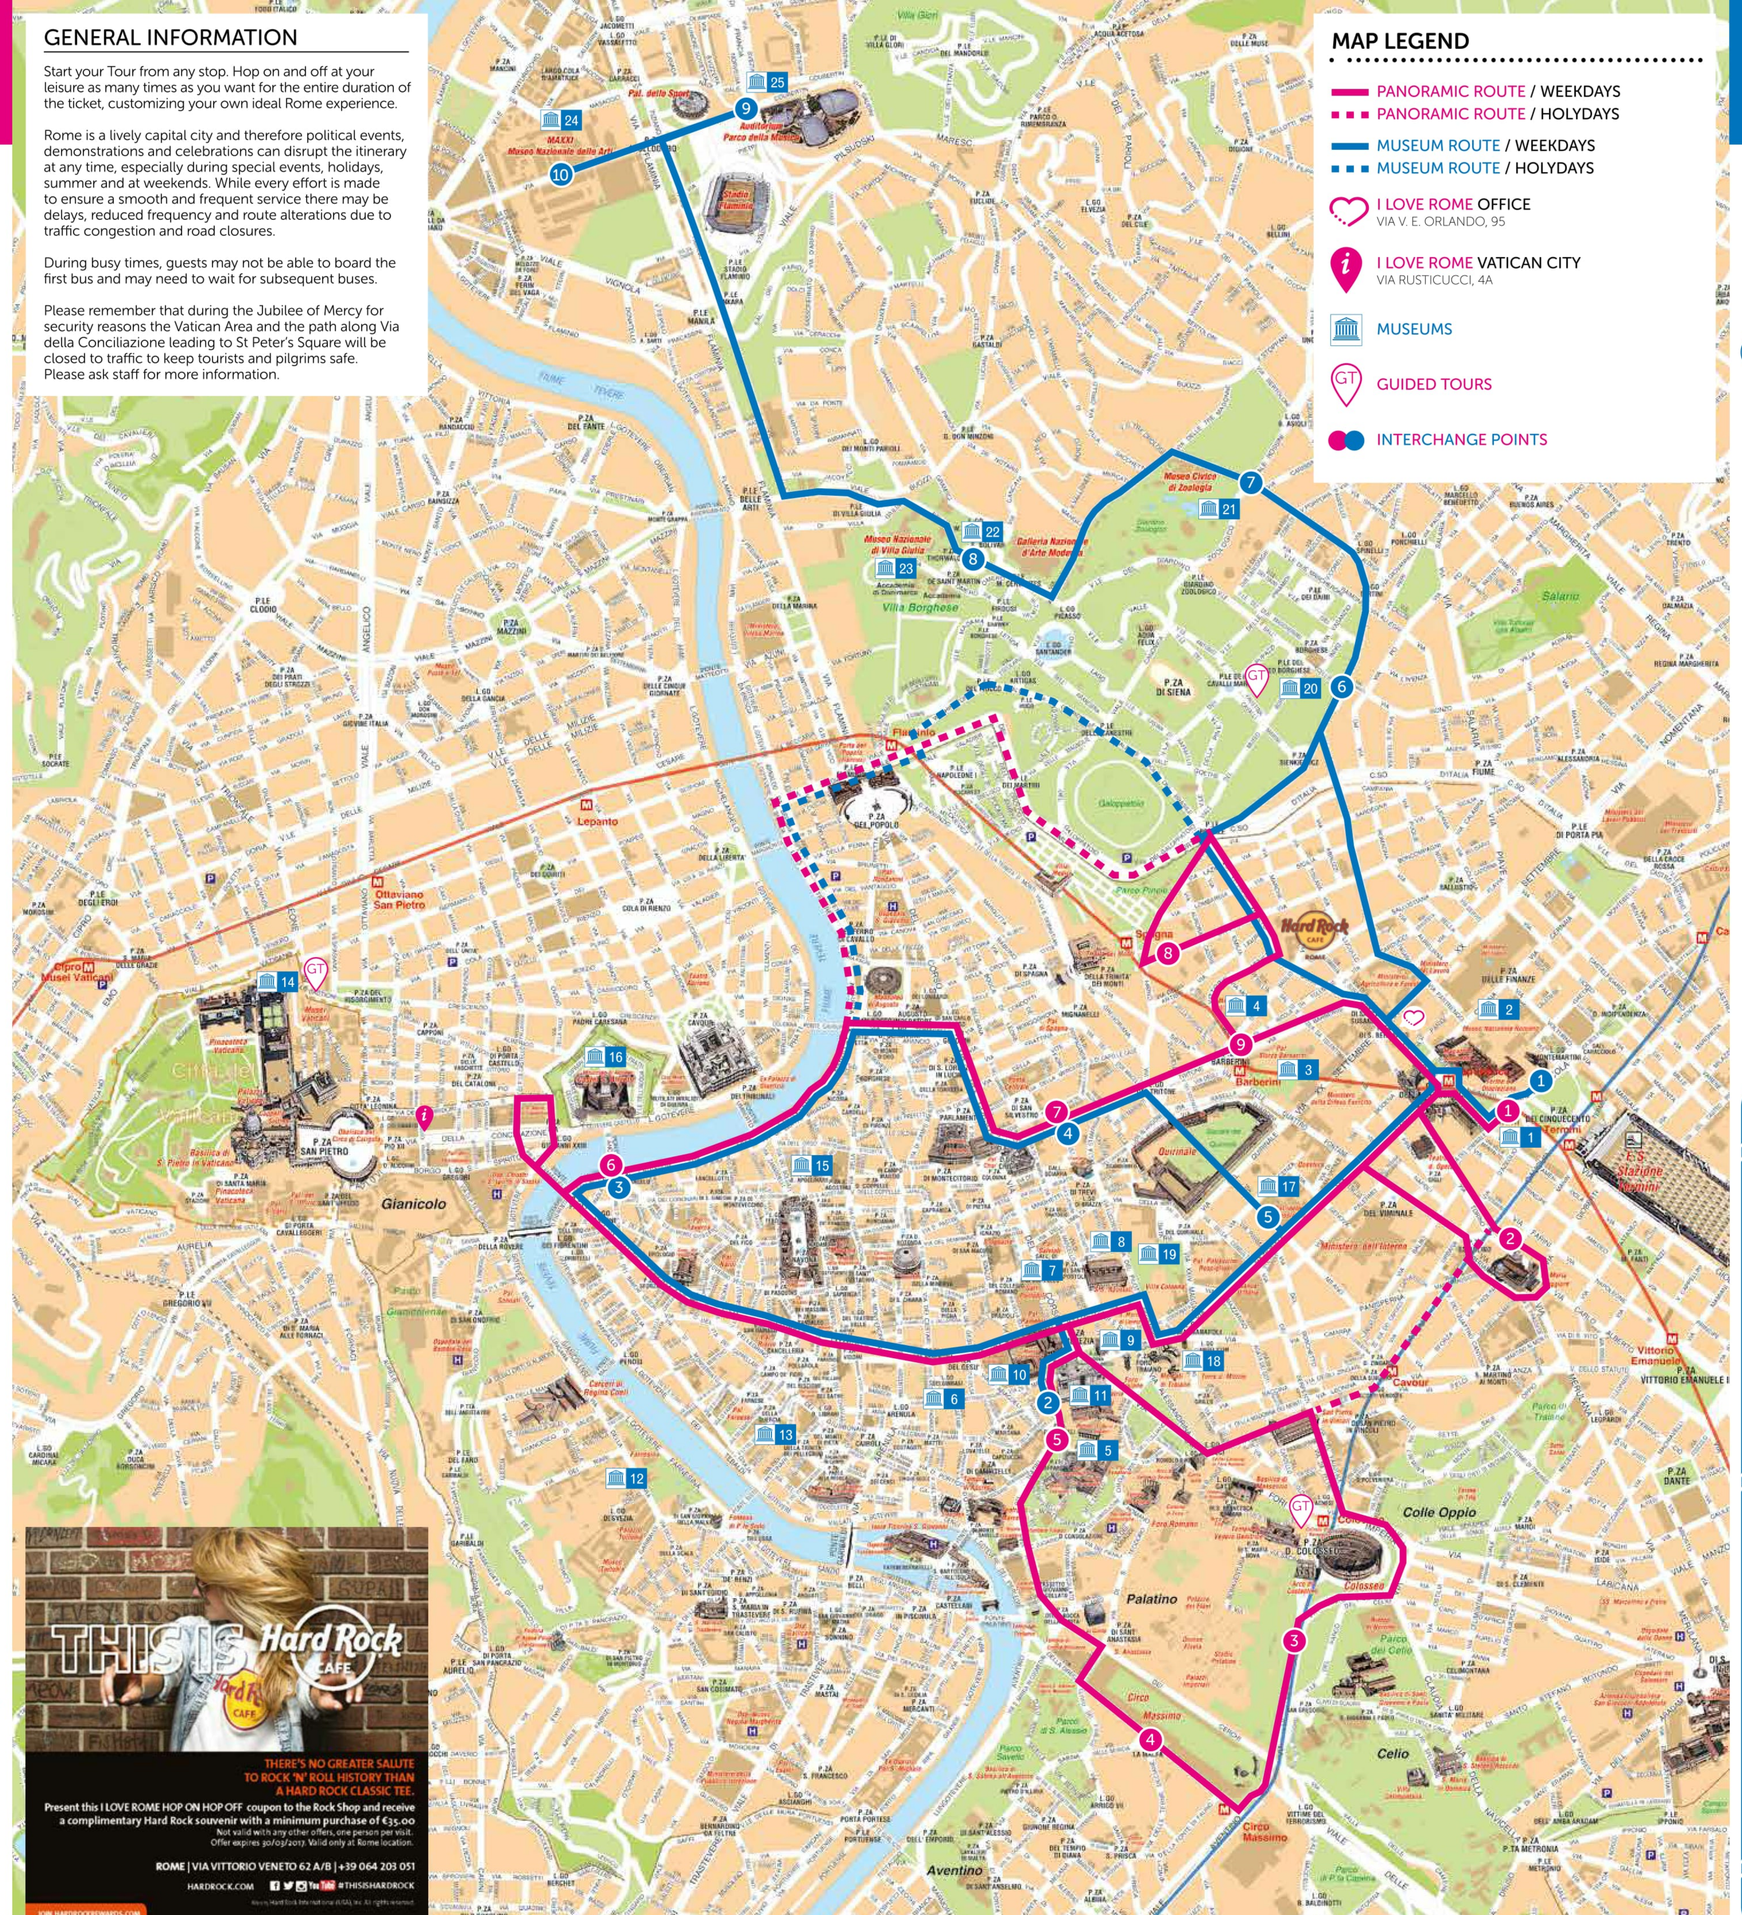

Rome is a lively capital city and therefore political events, demonstrations and celebrations can disrupt the itinerary at any time, especially during special events, holidays, summer and at weekends. While every effort is made to ensure a smooth and frequent service there may be delays, reduced frequency and route alterations due to traffic congestion and road closures.

During busy times, guests may not be able to board the first bus and may need to wait for subsequent buses.

Please remember that during the Jubilee of Mercy for security reasons the Vatican Area and the path along Via della Conciliazione leading to St Peter's Square will be closed to traffic to keep tourists and pilgrims safe. Please ask staff for more information.
